Earnings Releases: Necessary or Annoying?

Admin User · August 22, 2018

Do investors need earnings releases or are they just a prettier version of the truth since they are unaudited and companies can dictate when goes in them? We sat down with Peter Lazaroff , Co-CIO […]

Do investors need earnings releases or are they just a prettier version of the truth since they are unaudited and companies can dictate when goes in them? We sat down with Peter Lazaroff , Co-CIO of Plancorp Financial Services in St. Louis, MO to discuss.
