Finstream.TV Offers Weekly Personal Finance Newsletter to Increase Financial Literacy
FOR IMMEDIATE RELEASE

June 25, 2023 (New York, NY): finStream TV, a dynamic OTT/streaming channel targeted to the specific personal financial needs of different generations and their unique media consumption habits, announced the availability of a free personal finance newsletter. The channel, which is focused on increasing financial education and literacy, is geared toward the various stages of life and each individual's unique financial circumstances.

Subscriptions to finStream's Free Personal Finance Newsletter are available at <https://www.finstream.tv/subscribe-to-our-newsletter/> . The weekly newsletter has been developed in an effort to increase financial literacy and features the latest videos published to finStream's OTT Platform.

finStream is available free on Amazon's Fire TV, Roku, Vimeo, YouTube and @ finstream.tv. With a mission to increase financial literacy and therefore the standard of living for people worldwide, finStream's original and curated financial content is now available to more people than ever before.

About finStream Inc.
