Admin User · November 25, 2024

"Discover 'My Money Planners' – a groundbreaking streaming show helping real families tackle financial challenges with expert advice from Mutual of Omaha advisors."

Finstream.tv, Mutual of Omaha Join Forces to Promote Financial Literacy

“My Money Planners” is a new streaming TV show focused on financial literacy, streaming on Finstream.tv and sponsored by Mutual of Omaha. Hosted by financial planner [Jacqueline Schadeck](#), the show helps real families address their financial challenges by working with Mutual of Omaha advisors to develop personalized financial plans.

Key highlights:

- Features financial makeovers for everyday families
- Provides practical financial advice and expert insights
- Offers personalized financial planning strategies
- Available on multiple streaming platforms like Amazon Fire TV, Roku, and YouTube

The show aims to increase financial literacy by demonstrating real-world financial planning solutions across topics like budgeting, investing, retirement planning, and more.
