

Technically Speaking: How to Play the Tech Stock Sell-Off

Admin User · October 11, 2018

Tech stocks have been on a serious losing streak lately, capped by Wednesday's big plunge. What's behind the decline, and what should you do next with stocks like Amazon and Alibaba? TheStreet's tech columnist Eric [...]

Tech stocks have been on a serious losing streak lately, capped by Wednesday's big plunge. What's behind the decline, and what should you do next with stocks like Amazon and Alibaba? TheStreet's tech columnist Eric Jhonsa and Action Alerts Plus Portfolio analyst Zev Fima fill you in.
