Technically Speaking: Inside the Earnings of Google, Facebook, Intel and Amazon

Admin User · April 27, 2018

TheStreet’s tech team rips apart the earnings reports of Google, Facebook, Intel and Amazon and talk about what they liked, what they wish they heard and what could derail the upward momentum of the tech [...]

TheStreet’s tech team rips apart the earnings reports of Google, Facebook, Intel and Amazon and talk about what they liked, what they wish they heard and what could derail the upward momentum of the tech sector. Tech columnist Eric Jhonsa and tech reporter Francesca Fontana join Chief Correspondent Tracy Byrnes to dissect it all.
