

Tesla's Breakout Quarter, and a Preview of Facebook and Apple's Earnings

Admin User · October 25, 2018

Tesla CEO Elon Musk promised the much-maligned electric carmaker would be profitable and cash flow positive in the third quarter, and he delivered, despite much skepticism. Eric Jhonsa discusses how Tesla did it, and we [...]

Tesla CEO Elon Musk promised the much-maligned electric carmaker would be profitable and cash flow positive in the third quarter, and he delivered, despite much skepticism. Eric Jhonsa discusses how Tesla did it, and we also look ahead to next week's big earnings reports from Facebook (Tuesday) and Apple (Thursday).
